# HONDURAS PROJECT

2020

#### **Defense of land and territory**

In-person tour of La Paz Department, which currently has 4 hydroelectric concessions and 26 management plans and environmental permits for timber extraction. We met with various local authorities to discuss the importance of consultation with rural communities.

#### **Security and Protection**

Numerous workshops on digital security, use of virtual tools and psychosocial support during the pandemic.

activities

4 activities

### Criminalization and impunity

Monitoring the Guapinol Case, in which eight human rights defenders have been held in pre-trial det.ention for over a year and a half.

More than ever, in the year of

COVID-19

we have put

**HUMAN RIGHTS DEFENDERS** 

at the centre

Virtual engagement, creativity, co-creation, psycho-social accompaniment, trust **93** 

Accompaniments, observations to the activities of the Asociación LGTB Arcoiris and opening of spaces to discuss on the importance of collective and differential measures for the protection of the LGBTQI+ community in Honduras.

Gender and sexual diversity

## **Freedom of Expression**

Accompaniment of ASOPODEHU in situations of harassment against health workers who questioned the country's management of the pandemic in the media.

actividades

## ¿Cómo trabajamos?

174 actions
Physical/virtual
accompaniment

47 meetings with national authorities

23 publications

48 meetings with international authorities

16 meetings with international NGOs

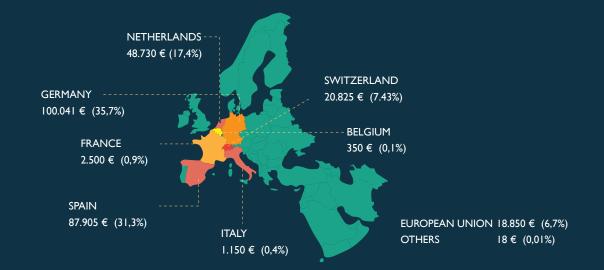

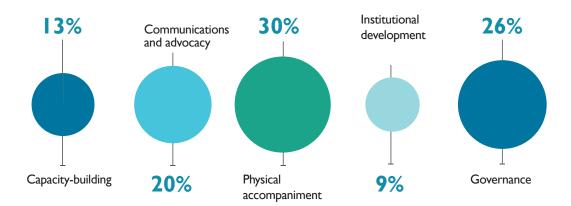

## Where do our funds come from?

## How do we use our funds?

## **Field volunteers**

## Window to the world (

In spite of the restrictions on travel, we have created spaces between human rights defenders and national and international authorities. Several defenders were able to meet with representatives of the Diplomatic Corps and European authorities as part of Honduras's Universal Periodic Review (UPR).

## Human rights defenders speak

"PBI is like our family" Arcoiris LGBT Association

"Thanks to PBI we have made contacts in Europe that have allowed us to draw the international community's attention to our work" **CEHPRODEC** 

"The authorities pay us more and more attention thanks to accompaniment of PBI" CNTC
